BIG CELEBRATION WILL TAKE PLACE

Anniversary of Surrender of Cornwallis to Be Observed at Yorktown.

[Special to The Times-Dispatch.] Yorktown, Va., September 19.—The Yorktown Historical Society of the United States, of which Major Henry Reed Hatfield, of Philadelphia, is the president, are making rapid progress in the completion of its arrangements for the celebration of the October 19 of the one hundred and twenty-ninth anniversary of the surrender of Lord Cornwallis to General Washington at Yorktown on October 19, 1781, which was the virtual ending of the war for American Independence from British rule.

The society has been granted by the War Department the use of the monument park here for the erection of the stand for the historical exercises of the day. Therefore, the vast throng likely to be in attendance will gather within the grounds surrounding the monument, which are splendidly adapted to the purpose. This will be a great improvement over the grounds of last year, which were facing the old Nelson house, and poorly adapted for the gathering of a large crowd. The stand to be erected will face the southeast, and will have a seating capacity for two hundred persons. It will be uniquely decorated with wild flowers and fall grass and plumes, with sufficient of the national and French colors to make it attractive.

Orders have already been issued from the War Department at Washington to have the Coast Artillery stationed at Fortress Monroe, along with the Post Band, to report at Yorktown and take part in the anniversary parade, which will be a great feature of the day. The Navy Department had promised vessels of several types, and the sailors and marines will come ashore to take part in the parade.

An attractive feature of the parade will be the division of school children of York and adjoining counties, which will be under the marshaling of Division Superintendent of Public Schools J. H. Eastman, who evinces great interest in this part of the celebration. He thinks it is in the line of good education, and will encourage both children and teachers to participate. Each child will be given an American flag and a French flag to carry, and thirteen little boys and girls selected to carry the State banners. This was an interesting part of the celebration last year, and was highly commended by all who witnessed the parade. A French band will also be a feature of the parade, headed by an escort of the United States Naval Reserve and the Coast Artillery Band.

Another interesting part of the parade will be the Yorktown Cavalcade, in command of Captain William J. Stores. This will also be a feature of the parade, and it is the purpose of the captain and his able lieutenants to outdo his efforts of last year if possible, and he will therefore add some notable features. Upwards of a hundred and fifty riders will probably take part in the parade, and among them will be a large number of women.

The complete program for the celebration will be announced in a few days by Secretary W. S. McKean, who is indefatigable in the work of preparation.

TRINITY NEWS NOTES.

Tennis and Literary Society Reorganized. [Special to The Times-Dispatch.] Durham, N. C., September 19.—A few evenings ago a meeting of the Trinity College Tennis Association, Claude West, of Wadesboro, was elected president. An executive committee, with Dr. Frank C. Brown representing the faculty, with H. A. McKinnon, of Maxton, and F. S. Bennett, of Cleveland, Tenn., was also elected, and will have charge of all the affairs of the association.

Both the Columbian and Hesperian Societies initiated new men into their respective organizations Saturday night. A good deal of enthusiasm was shown at both meetings, and several speeches were made. A large number of men joined, and regular work will commence next Saturday night. The Debate Council of Trinity College held its first regular meeting Friday afternoon. This organization is composed of three members of the faculty and four members from the undergraduate students—two from each of the literary societies. The council this year is composed of Professor Boyd, Brown and Flowers; G. W. Vick and R. G. Cherry, from the Columbian Society, and C. O. Fisher and W. G. Matton, from the Hesperian Society.

The officers for the year were elected as follows: President, W. K. Boyd; Vice-President, Secretary, C. O. Fisher; Corresponding Secretary, Dr. F. C. Brown. The council has already arranged one debate with Sewanee. This debate will be held in Tennessee. The council is negotiating with a view to arranging other debates.

LUPTON NAMED IN REGULAR MEETING

"Regulars" Did Not Bolt Republican Convention at Charlottesville.

[Special to The Times-Dispatch.] Harrisonburg, Va., September 19.—Postmaster Charles M. Kezel, of Harrisonburg, the active leader of the regular Republican organization of the Seventh Congressional District, sometimes called the Acker-Kezel faction, claims that the real facts as to what happened at the district convention last Wednesday in Charlottesville have never been given out to the public. On the other hand, he contends that the telegraphic reports, which, he suggests, were probably given out by an anti-organization man, are essentially erroneous, and do a great injustice to the regular accredited Republican organization.

According to Mr. Kezel, the organization controlled the convention by an overwhelming majority, carrying out every detail and nominating Lupton for Congress—in regular parliamentary order. Mr. Kezel explains that in the absence of L. Harper Zirkle, the regular district chairman, the District Committee, the only body which could act, chose W. B. Gregory, of Greene, to take Zirkle's place. Then followed the regular business of the convention.

Mr. Kezel further states, while the convention was in progress the anti-organization forces held another convention on the same floor and at the same time. A humorous feature of the convention, says Kezel, was the fact that B. B. Bowman, a contested delegate, essayed the role of district chairman in the absence of Zirkle, and

that the chairman of the second convention, R. J. Walker, was another contested delegate. John Paul, of Harrisonburg, was nominated by this convention.

Mr. Kezel says that the organization forces finished business and adjourned, the members of the convention going away from the building leaving the second convention in session.

The telegraphic reports stated that the Acker-Kezel forces bolted the convention, and carried out their program in the hotel. Mr. Kezel says that this is fiction, pure and simple. Mr. Kezel's figures are interesting. The convention, he says, consisted of twenty-eight uncontested delegates, while the second convention had ten uncontested delegates.

Must Stand Physical Examination. [Special to The Times-Dispatch.] Harrisonburg, Va., September 19.—Beginning to-day every pupil of the public schools of Harrisonburg will have to undergo a thorough physical inspection and examination by a physician, who will report all cases of contagious diseases, defective eyesight, decayed teeth and nasal obstruction. Dr. J. M. Biedler is examining physician. It is thought that this practice will soon extend to the county schools.

Old Soldiers to Hold Reunion. [Special to The Times-Dispatch.] Harrisonburg, Va., September 19.—A monster Confederate reunion will be held at Franklin, Pendleton county, W. Va., on September 27 and 28. Among the speakers invited are Harry St. George Tucker, of Lexington; Chas. P. Jones, of Monterey; Benjamin Dalley, of Moorefield, W. Va.; Hon. R. W. Daley, of Romney, W. Va.; Samuel Y. Woods, of Woodstock, of Phillips, W. Va., and W. G. Brown, of Kingswood, W. Va.

Alnison-Lumsden. [Special to The Times-Dispatch.] Fredericksburg, Va., September 19.—J. J. Alnison, of Dumfries, and Miss Mary Lumsden, of Stafford county,

were married here at the residence of Rev. Father J. M. Ferris, who performed the ceremony. The groom is a Confederate veteran, and fought during the Civil War in battles around Fredericksburg.

Case of Infantile Paralysis. [Special to The Times-Dispatch.] Harrisonburg, Va., September 19.—Only one case of infantile paralysis has been reported in Rockingham. Carl, the 3-year-old child of Letcher Argenbright, east of Harrisonburg, was suddenly stricken recently. He has lost all use of his legs, but otherwise is well. His father is in bed and plays with toys. His physician thinks he will recover in time.

Brakeman Injured. [Special to The Times-Dispatch.] Harrisonburg, Va., September 19.—Frank Vaughan, a Southern Railway brakeman, was brought to Harrisonburg last night with a frightfully mashed foot, received while coupling cars yesterday morning near Fishers Hill. The entire foot, to the ankle, is crushed.

INDICTED FOR FORGERY.
Charges in Two Cases Against Former Shenandoah School Teacher.

[Special to The Times-Dispatch.] Woodstock, Va., September 19.—W. S. Drummond, a former Shenandoah county school teacher, was to-day indicted on two counts for forgery. During his vacation Drummond forged checks on L. P. Kneisley, merchant, and E. E. Bowman, a farmer, of Edin-

burg, for small sums. He is also wanted in Winchester for forgery having forged the name of P. M. Byrd, Mount Jackson, with which he purchased clothing of Gray & Sheets, in Winchester.
